

Change contact authentication information in the ISNIC registry.

(This is only for registered DNS providers when companies are being merged.)

NIC handle

To merge the contact to another contact the new contact must exist.
You can register a new contact here: <https://www.isnic.is/en/contact/new>

The new contact must confirm the email address before this change can be processed.

NIC handle of new contact:

New NIC handle

Replace the old handle on domains where it is currently used as

Type: Admin [] Billing [] Tech []

Signature of contact or legal representative:

Date

Signature

Name / ID number

Witnesses to the above signature:

Signature

Name / ID number

Signature

Name / ID number

Send the completed form as well as a photocopy or photo of the passport or drivers licence of the contact or legal representative by email to isnic@isnic.is.
Be sure to also attach some proof of this persons relationship with the contact.
